From Principal's desk:

It's a matter of pleasure and pride to put forth the first and inaugural e-edition of newsletter for the academic year 2016-17. The newsletter details all the academic events and activities held by the college at large and the departments in particular. The executive committee has decided to bring out two volume per academic year as odd volume and even volume.

Special Staff Achievements:

Prof. Sanjay Dnyandev Kadam, (Lecturer in Chemistry)I/C Head of department of Applied Science and Humanities (Lecturer in Chemistry), has been awarded Ph.D. by Shivaji University, Kolhapur in August, 2016. The title of his Thesis is "Polyoxometalate Catalysed Homogeneous Oxidations by Bromate: A Kinetic and Mechanistic Study". We appreciate his teaching and intellectual endeavor.

Dr. Pritam I. Thakur (Lecturer in English) published a book entitled "A Gateway to Campus Interviews" for the students of final year of Diploma, Degree and Management students from Lambert Academic publishers Germany. Snap/cover page of his book is as:
