Students Corner	5

## Celebration of Engineers Day

The anniversary of the Engineers' day in India and 162th Birth anniversary of Sir Mokshagundam Visveswaraya. It was celebrated on Tuesday 26th September.

Sir M. V. was internationally popular for his brilliance and his great achievement in harnessing water resources in India.

Every Year our polytechnic celebrates Engineers' Day by means of conducting technical events, Competitions in the premises.

This time also we conducted Dream project competition as an inter-college event.

The students from the nearby institutes participated in the event.

The winners and runners were awarded by trophy and certificates respectively.

Few moments in Dream Idea presentation program..

## Participations by Students

### 1. Blind C

The event was organized by Vidya Pratishthan's Kamalnayan Bajaj Institute of Engineering and Technology.

Students from S.Y. Computer Engineering, T.Y. Computer Engineering Students and outside college's were participated in the event.

Students also participated in various events organized by the departments in our polytechnic.

The events were

1. Blind C
2. LAN Gaming

Organized by  
Association of  
Computer  
Engineering  
Students  
(ACES)

### Winners and Runners of Competition
