**HOD Message**

*It is my pleasure and honor to welcome you to the Department of Automobile Engineering at VPP College Indapur. I congratulate the entire editorial team for their solidarity in bringing out successfully the third edition of a Department newsletter for the academic year 2024-25. This website provides an overview of the academic programs, academic activities, and profiles of faculty members, various laboratories.*

*The Department gives students with the ability to apply knowledge of science, mathematics and engineering to work effectively in multidisciplinary teams, provide leadership and technical expertise, and practice engineering with ethical approaches and concern for society and environment. During study at the department, the students are encouraged to get hands-on experience in the corporate world through internship projects & in plant training with reputed organizations. In their curriculum we are encouraged to take up mini projects to supplement theoretical knowledge with practical experience*

*Thank you,*

**Mr. Shinde S.M. (Head of Department)**
